A NICE DRIVE FOR A GOOD CAUSE!

Dear Madam / Sir,

We are happy, as Co-chairman of this event, to invite you to take part in the 3rd edition of the «Omnium Handicap Zero» which will take place on Wednesday, September 22nd at the magnificent Elm Ridge golf club located in l'Île Bizard. This edition will be a special one since it will be the first fund raising of our new organisation «**Moelle épinière et motricité Québec**» resulting from the merging of the «**Fondation pour la recherche sur la moelle épinière**» and the «**Association des paraplégiques du Québec**».

Once again this year, the «Omnium Handicap Zero» promises to make you live a marvellous day in one of the most famous golf club in Canada. Among the activities which will entertain this tournament taking place under the Vegas formula, besides the brunch on arrival and the cocktail and the gastronomic supper, there will be:

- a chance to win **\$200 000** for a hole in one;
- the longest drive contest;
- a hole where we will bring you back in time, having the chance to play with sticks of the «Thirties»;
- the presence of several pros to give you good advices to improve your play;
- experience the electronic scorecard which will calculate your points and posted them in real-time on a big screen in the club house.

Combine business with pleasure for a good cause and plan a special day with clients, partners, colleagues, employees or close relations, while supporting spinal cord injured persons. To that effect, you will find enclosed an order form to make your reservations.

If you want to drive the ball even further, a series of sponsorships are offered to support the Foundation in exchange for various forms of visibility. You will find all the information about these sponsorships on the back page of the order form.

All «Omnium Handicap Zero» profits will help the Foundation continue its research projects in order to find, one day, a cure to spinal cord injury and help make life easier for spinal cord injured persons.

For golfers, reaching zero handicap is a game objective, but for the spinal cord injured people, it's a lifetime one! Thank you in advance for supporting them.

Looking forward to having the pleasure of seeing you on September 22nd,
